Participants

- Liceul Charles Laugier, Craiova, Romania
- Agrupamento de escolas do Fundão, Fundão, Portugal
- Profesionalna gimnazia po ikonomika „Ivan Iliev”, Blagoevgrad, Bulgaria
- Staatliche Fachoberschule und Berufsbereitschule Erlangen, Germany
- Lycee Clos Maire, Beaune, France
- Gümüşpala Mesleki Ve Teknik Anadolu Lisesi, Istanbul, Turkey
- Institut Europa, Hospitalet Llobregat, Spain
- IISS "Charles Darwin" Rome, Italy

Brief presentation of the activities

Output 1 – Comparative Study on the Use and Need of Transferable Skills at Eight Schools of Secondary Education in Different European Countries

The project partners reported the completion of the research conducted in their own countries. Common questionnaires were created and administered to both students and teachers in the 8 general and vocational high-schools involved in the partnership. Data being centralized, the countries submitted their report to Staatliche Fachoberschule und Berufsbereitschule, the school responsible for creating the common comparative study.

Output 2 – "Hard soft Skilling-Charting your career path" optional course syllabus design was presented by the Romanian, suggestions of improvement being required to create the common framework.

Output 3- Employment Web directory
The Bulgarian team presented the structure and the organization of the employment web directory, each school contributing with links for each section.
<http://www.hardsoftskilling.eu/index.html>

Output 4-Teaching toolkit
Brainstorming for ideas

Output5 –Career plan module

The Portuguese team gave a presentation on the draft of the Career plan model design to be tested during the learning short term activities with students in Portugal. Indicators of measurement during the activities were decided upon.

Management and organisation issues

The team revised the management and organisation issues and the deadlines for the forthcoming activities.

Preparations of the learning/teaching short term activities in Portugal

The team from Agrupamento de escolas do Fundão introduces the draft plan of the learning activities to be implemented in March in Portugal, the partners discussing and making decisions regarding travelling, accommodation and the learning activities in school and outside it during the foreseen 5 days .
